Supt Kelsey said that the meeting of the stockholders of the Mutual Reserve yesterday at the offices of the company would not affect his consideration of the company's affairs. The report in question will not be submitted to the Attorney-General, it is understeed, until the company has had the opportunity to completely present its side of the case.

Mr. Gore will be the first blind man to sit. In the Senate. When eight years add a playmate struck him in the eye god the doctor teld him he would never be able to see out of it again.

"Oh, well," said the boy, "I have another one left."

Four years later he was struck on the remaining eye by a bolt from a crossbow and rendered totally blind for
